c. SAGAMORE TEAK COLLECTION

Without question, teak is the finest choice for outdoor furniture. It is also an excellent choice for indoor seating and dining. Beautifully crafted of plantation grown Indonesian teak, each piece feels smooth and satiny to the touch. Ample seating room invites you to linger while the wide arms are a sturdy support for a cool drink and reading material. Every joint interlocks perfectly and is tightly glued to resist moisture. Thick, classically simple cushions are foam-wrapped in polyester, and covered in virtually indestructible, UV-resistant Sunbrella® acrylic. Full zippers assure easy removal.

d. LAGUNA TEAK DINING TABLES

Choose a round or rectangular table (in two sizes) and add extra dining space to each one with

extensions to accommodate as many as eight to ten people. Built from weather-defying

kiln-dried teak, the

tables are the perfect match for any of our teak chairs or the Napa bench. At the center of the table is a 2 3/4" diam. umbrella hole camouflaged with a removable plug. The extensions (sold separately) attach easily and securely via stainless-steel shafts that slide into braces beneath the tabletop. Simple assembly.
