f. COPPER GARDEN TORCHES

Create the illusion of a tropical getaway when you light these torches along garden pathways, patios and decks.

They'll age to a rich verdigris patina. Designed with their own flame-extinguishing caps, they use standard wicks and lamp oil (oil not included). Staked bottoms anchor them in ground. Optional galvanized-iron pedestal bases simplify placement. Torches are 54". Bases are 6 1/2".

IRON BASE, G295204, \$24.00
