Dear Gardener,

The secret is out: Fall is the perfect time to plant perennials. The soil is still warm and fall rains are on their way, so your new plants will quickly take hold and settle in. Come spring, they'll surge into growth and you'll have big, robust plants that are covered in blooms.

Remember, Dutch Gardens buys direct from the best perennial growers – no middlemen – so you always get top quality, top size and top value. All our plants are fully guaranteed to thrive in your gardens.

Plant now and make next year's garden your best ever! Call us today or visit us online at dutchgardens.com.
